

Ready Reference BCH Quick Start

RR01

The screenshot shows the Biosafety Clearing-House (BCH) website. Callouts point to the following features:

- Select a language:** Points to the language selection menu at the top left, which includes options like العربية, English, español, français, and português.
- Quick search:** Points to the search bar on the right side of the header, labeled 'Country Profile...'. Below the search bar is a world map.
- Find a record:** Points to the 'Find Information' link in the main navigation bar.
- Help modules:** Points to the 'Help' link in the main navigation bar.
- Register a record:** Points to the 'Management Centre' link in the main navigation bar.

The website content includes a welcome message, a list of latest news, and a list of latest additions.

- | | |
|--------------------------|--|
| Quick search | Choose a country from the drop-down box to get country profile with all its records. |
| Find a record | Choose a category of information and browse the records, or carry out a detailed search (selections will be translated to include records in other languages). |
| Register a record | Enter the Management Centre to access your account or apply for a new account and create and manage your records in the BCH. |
| Select a language | Select the name of the language in which you wish to browse the website. |
| Help modules | Access the BCH tutorials, help manuals, and training modules that explain how to use the website. |
